Dr. King's New Discovery soon starts you on the road to recovery

ONCE tried, always used. That's a trite expression, but one never more applicable than it is to Dr. King's New Discovery. You will like the prompt, business-like way it loosens the phlegm-clogged chest, soothes the tortured throat, relieves an old or a new cold, grippe, cough, croup. The kiddies can take it in perfect safety. Use the best after-cold, standard half a century. 50c and \$1.50 a bottle. At your druggist.

**Don't Contain Constipated**

Don't let your bowels hold you back. Make them function regularly—have the body cleaned out—waste matter with Dr. King's New Life Pills. Headaches, sick headaches, poor stomach, indigestion, dizziness, tired nerves, bad breath—think of the embarrassments and discomforts traceable to constipation. How easily they're relieved by the original use of the best after-cold, standard half a century. 50c and \$1.50 a bottle. At your druggist—see at usual.
