of \$12,500.

The work has been delayed for some time because of the great amount of rainfall. No more work will be done on that stretch of road this fall because of lack of money in the road fund to carry on the work. Work in other parts of the district is being held up on account of the sware. Work in other parts of the district is being held up on account of the scarc-ity of labor, according to L. D. Schobe, superintendent of the Columbia rod district. He said there was one ex-tra team in the barns now that should be used on the road, as they are in bad condition; but so far he ad been unable to hire a driver.
